A Motion to Amend Judgement

Dear, Honorable Senior Judge Maurice B. Cobill Jr.

Dear your Honor I'm writing a Motion to Amend Judgement. I was Sentenced to Serve 70 months to the B.O.P. on October 3, 2005. I was revoked/resentenced 2 to 4yrs by the County with 18 months Credited. I was in Custody from 9-20-04 to the end of March 2006 in the Erie County Prison. I was transferred from the County to the State to serve my 2 to 4yr Sentence. I was in the States Custody from 3-28-06 to 4-2-07. I'm asking that my time be ran concurrent I been in Custody Since 9-20-04 but my federal hold was logged 11-27-04 so I'm asking that my time be ran concurrent from the date Stated up until now Your Honor. My family needs my Grandmother is getting older and I would like to be there to take care of her. I also have a 2yrs old daughter who was born while I was in custody to which I still haven't seen or held in person. My daughter's mother is a Single Parent ~~and a mother of 5 children who I~~ feel needs my help with my daughter as well as the other children. I would like to be there for them as a positive role model. I also would like to be present when my daughter starts her first day of school. I don't want my daughter to be fatherless or as she gets older and starts to think her father isn't around. I already missed 2 years of her life I'm not trying to miss out on to much more of her life. I know I did wrong for the crime I committed and I sit back everyday regretting the situation im in. I was influenced by negative things and negative people. When my mother Passed away it seem like everything went downhill for me. I started getting into a lot of trouble things that I could have prevented. But I don't look at it like that I made the choices that I made not anybody else. I can't play the victim stance I put myself in this situation. I'm missing out on a lot of things that are real important to me. I'm missing out on how to be a Supportive Parent to my daughter. Me not being there hurts me deeply. That's why I'm asking that my time be ran concurrent so I can be there to take care of my

Grandmother and daughter. Right now I'm in school trying to get my GED so I can better myself as a whole. Mr. Cahill my main concern is my daughter Your Honor that's why I'm asking that my time be ran Concurrent. Your Honor I have learned my lesson this time has molded and helped me understand life and myself. It has also shown me to value your family. I haven't been in any trouble. I'm Conduct free all through my State sentence up until now. I applied for programs that I feel can help me succeed in life after I'm released. I applied for Success After Prison and basic drug education. Your Honor your help and assistance is greatly needed. So if you could run my time concurrent I can be home with my family and my daughter who both need me clearly. Thank you for taking the time out to read this Your Honor I clearly appreciate it.

Very Truly Yours,

Jamar D. Atkinson
